## PRESS RELEASE

The Islamic Egyptian Society condemns the bombing  
of the Church of the two Saints in Alexandria, Egypt

The Islamic Egyptian Society of NSW condemns the violent terrorist act in front of the Church of the two Saints in Alexandria, Egypt killing innocent worshipers. This act is foreign to Egyptians of all religious faiths and aims to destroy the unity that has existed between Egyptians for hundreds of years.

True Muslims, Egyptians or non-Egyptians, are forbidden from committing such heinous acts. Muslims are protective of their Christian neighbors and bear no intentions to harm them. Egyptians of all religious backgrounds have enjoyed a harmonious existence since the arrival of Islam to Egypt with followers of all religions afforded total freedom of choice to practice their chosen faith and build their own worship places in peace and without persecution.

We send our condolences to the government of Egypt and all the people of Egypt, Christians and Muslims, as the killing of Egyptian Christians is a calamity that affects all Egyptians in Egypt and all over the world.

We also assure our Christian brothers and sisters that we are prepared to stand together, Muslims and Christians, united in the face of any attempt that aims to harm the co-existence and unity of all Egyptians.

Yours truly,  
The executive committee  
The Islamic Egyptian Society of NSW, Australia
