Notes to the Financial Statements
For the year ended 31 December, 2004

Note 1: Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act and the following Australian Accounting Standards:

AAS 3:	Accounting for Income Tax (Tax-effect Accounting)
AAS 5:	Materiality
AAS 8:	Events Occurring After Reporting Date
AAS 17:	Leases

No other Australian Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

(a) Income tax

The association adopts the liability method of tax-effect accounting whereby the income tax expense shown in the income and expenditure statement is based on the operating profit before income tax adjusted for any permanent differences.

Non-member income of the association is only assessable for tax, as member income is excluded under the principle of mutuality.

(b) Fixed Assets

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.
