PRESS RELEASE

The Islamic Egyptian Society of NSW Condemns the horrific and abhorrent Terrorist attacks in Brussels

On behalf of the members of the Islamic Egyptian Society of NSW we convey our sorrow and grief for the lives that were lost during the brutal attacks in Brussels against innocent civilians.

We extend our sincere condolences to the families of victims and to those who are grieving. Our prayers go out to the people of Belgium. Those who carried out these criminal acts have no regard for human life and have committed a crime against humanity.

We also wish to state that Islam condemns any aggression against innocent people and these actions are against the principles of Islam. Inflicting violence of *any form* on the innocent is prohibited in Islam, and this act stands against the teachings of peace and harmony as were the examples given to mankind by the Prophet Muhammad (P.B.U.H.).

The holy Qur'an states that *"whoever kills a person unjustly, it is as though he has killed all the people of the world, and whoever saves a life, it is as though he had saved all mankind"* (5:32).

The Society condemns all forms of terrorism and we pray to the almighty Allah to help the people of Brussels through this difficult time.
